## Make an Impact Now – Ongoing projects

Your support is needed for current projects including ornamentation of the Temple panels & Rajagopura and parking improvement for devotees. Various Temple panels are being transformed into works of art which offer tribute to Sri Hanuman through the ornamentation.

Every devotee who has visited this amazing Markata Karya Siddhi Hanuman mandir on busy days has felt the pinch of the parking. With your support, an active effort to provide more parking options will be successful. Your generous donations will make a positive impact that will carry on for generations to come. Make an impact today.
